place in society. In particular, as a result of the measures taken, women make a valuable contribution to the development of the country's economy in all spheres of society, with their creative energy.

After the end of the official part of the Forum, its work was continued in three separate panels on the topics “Political, economic and legal basements for the development of women's entrepreneurial activity in the Republic of Tajikistan”, “Development of the potential of women in the field of agriculture through supportive programs.

Regional empowerment" and "Empowering women through financial tools and other e-services".

In the final part of the Forum, the reports of the moderators of the panels were heard, a question and answer session and an exchange of views took place among the participants of the forum.

Within the framework of the forum a number of memorandums and cooperation agreements were signed.
